He indicated the horse had to work a little bit in the early stages when pressured in the lead, however the horse failed to respond to his riding over the final 400m. Trainer L. He also undertook to advise stewards of anything that comes to light in the coming days with the horse that may have had a bearing o

When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M.
