S. Comments:Overraced in the early and middle stages. Rdr advised instructed to have mare in a forward position-added with the addition of blinkers & crossover noseband, mare over-raced when in a leading position, which Rdr attributed to the step-up in distance from 1400m from previous start and the month between runs. Tnr confirmed instructions. Warning on poor performance. A post-race vet exam revealed no abs.

S. Comments: Raced greenly in the home straight and shifted out abruptly over the final stages and had to be corrected by its rider on a number of occasions. When asked to comment on the performance, particularly noting the significant market support leading into the event, trainer advised that that OUR BERLINETTA had been working well in the lead up to today's race and he had expected a forward showing. Trainer further advised that the stable had not supported the mare and was pleasantly surprised with the overall performance.
