S. Comments:Raced keenly near the 600m. Performed below market expectations. Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion.

Held up for clear run on entering home straight & disappointed for run passing 200m & after shifting out passing 100m, was again held up for clear run over the concluding stages. When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.
