When questioned as to the performance App. J Grob stated that the filly travelled into the race nicely, however, peaked on its run passing the 300 and in his opinion proved disappointing. App. Grob noted that a nasal strip had been added to the fillys gear for the first time today. App. Grob added that passing the winning post the filly made an abnormal respiratory sound and as such may benefit from the addition of a tongue tie. A post-race veterinary examination revealed no abnormalities.

S. Comments:Stewards questioned jockey C. Eaton in relation to the tactics adopted following concerns raised by Trainer B. Hudson regarding the manner in which the mare was ridden, given that the instructions issued prior to the race were to have the mare racing in a midfield position. Whilst noting the concerns of Mr. Hudson regarding the failure to comply with the instructions issued, Stewards accepted the explanation tendered by jockey Eaton in relation to the racing circumstances.

S. Comments:When questioned regarding the seemingly improved performance, Trainer R Lyford explained that the gelding which was having its first start for the stable had worked reasonably, including a jump-out where it had performed competitively. Mr Lyford further added that he expected the gelding to be looking for distances further than that of todays event and was surprised by the win. He further added that with the fast tempo up front in a small field, this was a contributing factor to the gelding finishing the race off in the manner in which it did.
