Said horse did not respond to urgings to be closer to main body of field, which thought horse resented t/tie-added responded to riding somewhat from 700m & round h/turn & in home straight horse had tendency to lay in at various stages & became awkwardly placed at heels near 150m. Tnr intends to remove t/tie. Ride referred to RQ training dept.

S. Comments:Inconvenienced when attempting to improve near the 200m. When quest re performance & riding of filly, Rdr stated instructed to take up a trailing position from wide alley as horse had raced well at its most recent start when ridden in this fashion-added surprised how well filly settled early & obliged to pressure mount from 750m to the 600m-further added in home straight mount was somewhat reluctant to quicken between runners when there was a shift from an inside runner-said indicated recommended to remove filly's earmuffs as felt filly would travel more strongly during event.
