Trainer G Richardson explained that as the horse was having its first start for his stable he was unable to explain its prior poor performances. Mr Richardson did however advise that upon arrival at this stable the horse had been very unruly and difficult to handle. He advised that through training methods to improve its behaviour, it had commenced improving in its trackwork and its final 2 gallops in preparations

After the saddle shifted significantly back SIP IT SLOW commenced to buck passing the 900m and then took no competitive part in the event from that point. Stewards inspected the gear of G Cartwright following the event and found it to be of a satisfactory standard. Stewards interviewed trainer B Gorman who indicated that the mare is quite lightly framed and he would be advising riders to apply a gel pad in future starts.
