S. Comments:Rider said instructions were to lead if possible. He said the gelding showed sufficient early speed, however ARGO'S REVENGE also improved to his inside, so he had to make more use of the gelding than he would have liked. He said at its previous start the horse was inclined to overrace and hang out and for this reason he was intent on pursuing the lead and getting the horse across to the rails. He added that the horse then travelled nicely in front and weakened over the concluding stages. He said he would have preferred not having to make as much use of the horse in the early stages.

Added soon after straightening commenced to make ground but became awkwardly placed at heels of PUFFS GIRL. Further added then attempted to shift to inside of that runner but again became awkwardly placed at the heels of GRACEVILLE and as a result was unable to fully test the gelding in home straight.
