S. Comments:Raced wide without cover throughout. Jockey J. Oliver could offer no explanation for the seemingly disappointing performance of the mare which he advised did not feel entirely comfortable in its action on returning to scale. Trainer M. Currie could also offer no explanation for the poor performance other than that the mare was forced to race wide throughout. A post-race veterinary examination of the mare revealed no apparent abnormalities.

S. Comments:Held up rounding the home turn. When questioned by Stewards regarding the seemingly improved performance, Trainer M. Currie advised that he remained at a loss to explain the mare's poor performance at its last start, as its form prior to that event had been quite good. Mr. Currie added that the mare continued to work well following its last start and, from the good barrier today, he had again expected the mare to run well.

S. Comments:When questioned by Stewards in relation to the gelding's seemingly disappointing performance, jockey Beau Appo advised that his mount had failed to show its customary speed today, and did not travel comfortably at any stage of the race. He added that, in his opinion, the gelding may not have handled the firm track conditions today, and when placed under pressure it failed to respond to his riding and proved very disappointing. A post-race veterinary examination revealed no significant findings.

S. Comments:Became fractious in the barriers and reared as the start was effected and, as a result, struck its head on the barrier upright and lost significant ground. A post-race veterinary examination of MOHAKA RIVER revealed that the horse had sustained a laceration to its forehead. Connections advised that it is now their intention for the horse to be retired. Nevertheless, connections were advised that the horse will require a veterinary clearance prior to resuming racing.
