He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments:When questioned regarding the performance of the gelding, Jockey B El-Issa stated that his intention today with the addition of blinkers was to be positioned more forward, however, the gelding failed to must speed in the early stages which resulted in it racing further back in the field than anticipated.

Jockey El-Issa was of the view that the gelding failed to handle the prevailing track conditions.
