Mackintosh in a mid-field position, rider B Avdulla confirmed that he had been asked to

ride the horse in a mid-field position, but from his wide draw, after initially attempting to

take a position behind Dream Lane, when that runner did not continue forward, he was then caught wide and with no opportunity to obtain cover, he allowed

Mackintosh to stride forward and lead where it travelled comfortably.

Trainer D. Forster was questioned regarding the tactics adopted on the colt in leading in the event, which was in contrast to its normal racing pattern.					
Miss Forster stated that she had instructed jockey Cahill to ride the gelding positively to the first corner and then if possible to angle the colt off the fence. She added she did not expect the horse to be left in the lead and had hoped it would take up a handy/midfield position.

 S. Comments:Was held up rounding the home turn. Stewards considered an objection lodged by S Clenton, rider of third placegetter (Invitations), against Passionflower being declared second, alleging interference approaching the 100m. Stewards found that approaching the 100m, Passionflower shifted out making contact with Invitations, resulting in that runner being taken off its line and bearing in mind the margin of a nose, the Stewards were comfortably satisfied that had the interference not occurred, Passionflower would not have finished in front of Invitations and therefore the objection was upheld.

S. Comments:Bound in air on jumping away and lost ground. Checked from heels near 700m. Rider stated mare was slow to being at most recent start and showed no confidence in handling the going between the 600m and 400m and did not finish the race off. Trainer's rep stated stable would resort to barrier practice in an effort to improve its barrier manners and confirmed mare had previously shown a dislike for rain affected tracks. Undertook to report back any subsequent abnormalities.

S. Comments:Questioned re his riding, stated instructions had been to lead, after commencing well he was able to hold the lead in the early stages. Added that when Perignon improved to his outside, he was content to allow Perignon to cross his mount to obtain cover. Stated that, after obtaining cover, he was then held up in the early part of the straight behind Goldstream when that runner commenced to weaken and it was not until the 200m that he was able to obtain clear running. Vet exam revealed lacerations to both forelegs and a laceration to the tongue. Trainer confirmed the instructions were to lead.

S. Comments:Had to be steadied from heels near the 150m. Apprentice B. Stower was questioned regarding the tactics adopted. She stated her instructions were to race in a handy position with the horse travelling on the bit. B. Stower added that leaving the 600m she had to ride vigorously to hold her position outside the leader. The explanation was noted.
