Griffin explained that with the pace that was set early, his mount never travelled comfortably on the bit and, further, he felt with the rail being out 10 metres, the horse was not comfortable on today's racing surface. He added that he advised trainer M. Lakey that in his opinion the horse would be better suited on a bigger track and over a longer distance that that of today's event. Stewards noted his explanation. Trainer agreed with rider's assessment and said he would step the horse up over further ground at its next start.
