He indicated that he would have liked to have been in a more forward position, however the horse did not muster early speed. He added that the horse finished the race off strongly and in his opinion would be suited to racing over a further distance than that of today's event.

Steaded to avoid the heels of another runner near the 750m. Placed in restricted room when attempting to secure clear running in the home straight as a result of TISANI TOMSO shifting in.

Near 200m checked off heels and altered course inside of another runner where there was insufficient room and again severely checked approaching 100m. Rider did not test mount over concluding stages - explained on both occasions gelding did not fully establish a run and as a result no action taken.

S. Comments:Hung out from the 500m until entering the home straight, and whilst hanging out was forced wider on the track by another runner. When questioned as to the horse's performance, apprentice S. Eilbeck reported that the gelding never felt comfortable in its action throughout the event and when asked to improve into the race from the 600m commenced to hang out and shifted wider on the track. Apprentice Eilbeck added that over the concluding stages the gelding changed stride and dipped and for that reason she did not continue to pressure the horse. Vetted, no significant findings.
