that he looked to improve to one off the fence after passing the 800m and was able to do so. He added that a short distance after leaving the 600m he would

have liked to improve more into the race, however was held up momentarily and was afforded clear running when rounding the home turn and found the line

only fairly and in his opinion was somewhat disappointing in the run to the finish.

Jockey J. Byrne advised that his mount travelled well until asked for a response leaving the 600m and he felt the horse was disappointing from that point

onwards when uncomfortable racing between runners and laid in in the home straight. He indicated that he felt the horse was looking for races over further

distances and would take improvement from todays event. A post race veterinary failed to reveal any significant abnormalities.

| S. Comments:Approaching the 900m, had to be steadied away from the heels of FORT MYER when the pace steadied, and then shifted wider on the track to avoid heels and raced in that position for the remainder of the race. Nearing the home turn commenced to lay out and then was shifted wider by another runner rounding the home turn. | | | |
