Rider said advised the gelding failed to travel comfortably at any stage of the event, became very awkward in its action in the home straight and was eased down over the final 300m. Trainer indicated that he supported the comments of jockey Marshall as the horse, in his opinion, did become awkward over the final 300m and gave an undertaking to advise stewards should anything come to light in coming days that may have affected the performance. Stewards advised Mr Butterworth that the gelding must barrier trial prior to racing again. Vetted, no significant findings.

S. Comments:Questioned re tactics - began well anticipated would muster speed and settle outside leader. Then reluctant to ride vigorously as had previously shown tendency to overrace. As a consequence raced wide without cover throughout. Rider conceded may have erred in failing to ride vigorously from barriers. Trainer anticipated settling on speed but noted as 2yr old horse had, despite beginning well, taken time to reach top speed in early stages. Despite wide run thought horse would win before dipping near the 200m and losing momentum. Explanation noted.

S. Comments:Raced keenly for a short distance near 1100m. Laid inwards over final 100m. Rider questioned re racing in a rearward position - stated originally his intention to race forward however, after jumping only fairly found himself racing three wide to the outside of FRESANOL. As such rather than be caught wide he obtained cover following FRESANOL, expecting that horse to maintain a forward position. Soon afterwards runners to the outside crossed FRESANOL which resulted in his mount racing further back than he would have liked.

S. Comments:Lunged forward in the barriers when another runner broke through the front gates, was removed, examined by the veterinary surgeon and passed fit to race. Stewards questioned jockey M. Du Plessis regarding the horse's performance. Jockey Du Plessis stated that when AMERICAN DIVA broke through the barriers the gelding also lunged forward. He added that the horse did not show its customary early speed and was under pressure from the 600m and did not quicken as he expected. He further added that in his view the horse may have come to the end of its current preparation.
