S. Comments:Rider stated after being wide early attempted to obtain cover but unable to do so and it then hung outwards abruptly near the 800m and proved difficult to control and as such eased it out of race. Stated at previous runs able to obtain cover and believed that racing on outside on this occasion may have contributed to the gelding hanging outwards. Trainer advised gelding had shown tendencies to be field shy previously and with no cover outside may have contributed to it hanging outwards. Vetted - sore off fore fetlock.

S. Comments:When asked to comment on the performance, Jockey R. Plumb stated that after settling in a trailing position towards the rear, the gelding raced a little keenly in the early stages and then when shifted 3 wide with cover to improve passing the 600m, was afforded every opportunity to finish the race off. He further added that once in the home straight, when placed under pressure, the gelding proved a little disappointing and in his opinion may improve with the run. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Proved reluctant to race inside runners in the early stages at which point the gelding raced ungenerously. On return to scale, jockey R. Goltz reported that his mount was outpaced in the early stages and was hard ridden for the majority. He added that the colt made strong late ground over the concluding stages and, and his opinion, would be better suited over distances greater than 1000m at its upcoming starts.
