Raced three wide without cover before weakening over the final 300m. Trainer B. Smith advised stewards it would now be his intention to send the filly for a spell. However, stewards advised Mr Smith that the horse would need to perform to the satisfaction of stewards in an official barrier trial prior to resuming racing.

S. Comments:Jockey B. Appo could offer no explanation for the filly's disappointing performance. He advised that his mount had travelled well until it was asked to quicken at a point near the 500m. A post-race veterinary examination revealed that the filly had sustained a laceration on its tongue.

S. Comments:When questioned by Stewards in relation to the seemingly improved performance, the stable representative for trainer Mr. B. Cavanagh advised that at the filly's most recent start it met with interference at the start and was checked in running and, as a result, settled further back in the field than anticipated. She added that, in her opinion, the filly is far better suited when able to lead and dictate in its races, as evidenced by its win today and also when successful at Toowoomba on 22 February 2020.

S. Comments:Rider C. Taylor reported that the gelding resented the kickback in the early and middle stages. When questioned, jockey Taylor advised that he elected to shift wider on the track passing the 300m as in his opinion the surface was better in that section. Trainer J. Pritchard advised stewards that she may experiment with some gear changes prior to the gelding's next start.
