S. Comments:When asked to explain the horse's performance, rider J. Lloyd stated that the gelding had a tendency to hang out throughout the race and never travelled comfortably at any stage and when placed under pressure in the home straight failed to run on and in his view was very disappointing. A post-race veterinary examination revealed mild lameness in the off foreleg, and a swab sample was taken. Trainer M. Dunn reported that the horse would now be sent for a spell. Mr Dunn was advised that he must produce a veterinary clearance for the gelding prior to its next start.

S. Comments:Slow to begin. When questioned regarding the disappointing performance, trainer M. Kropp advised that the mare, which was having its first race start since September, had been working well in the lead up to today's event and he was anticipating a forward showing. He added, however, that the mare did not begin well and had to work hard in the early stages to obtain a forward position, which he felt contributed to FILLE ARDENTE not finishing off the race as strongly as anticipated.

S. Comments:Shifted out when weakening soon after straightening. Questioned riding tactics adopted early and middle stages rider explained he was instructed to ride the gelding where it was comfortable and was advised not to overly restrain horse as it has resented this in the past. Rider added he was unable to obtain cover leaving the 1000m and soon afterward the pace steadied and GENTLEMAN JACK commenced to overrace and for this reason he allowed the horse to stride forward. Rider further added gelding was under heavy pressure approaching the home turn and weakened badly in the home straight.

S. Comments:Questioned re tactics - rider stated intention was to find cover however after beginning well the horse mustered speed quickly and found itself in the lead. As no other runner applied pressure he was content to remain in the lead. Trainer confirmed instructions and noted at last start horse at begun awkwardly from wide barrier and was forced to race at back of field, as such was not totally disappointed in that performance. Thought horse appreciated freshen up between last 2 starts. Explanation noted.

She added she was satisfied with her position throughout the event as she was trailing the eventual winner, however when it improved into the race near the 600m she was unable to quicken with that horse and, in her opinion, the mare raced somewhat flat today.

S. Comments:Questioned re tactics. Rider stated that she was instructed to position horse at rear of field and added that due to fast tempo in early stages she settled 2 lengths of the second last horse. However, when asked to improve passing the 600m the horse travelled strongly and finished off the race well. Stewards advised App that she should have made greater use of the horse in the early stages to maintain a position inside of IT'S ON THE POCKET in the early stages.

S. Comments:When questioned as to the horse's performance, jockey Morris stated that the gelding was slow to muster speed in the early stages despite his efforts and as a result raced further back in the field than anticipated. He added that when placed under pressure passing the 400m the gelding responded and finished the race off well. Jockey Morris further added that in his opinion the gelding would be better suited over further distances than that of today's event.
