S. Comments:Stewards questioned B. Panya regarding the tactics adopted and the performance of the horse. She indicated that after riding the horse forward, as is the horse's racing pattern, she initially intended settling to the outside of DANDOG, however when her mount raced keenly she elected to allow the horse to stride passing the 1000m in an attempt to cross that horse, however DANDOG continued to hold its position to the inside, and whilst her mount did settle somewhat when approaching the 600m, the gelding was immediately under pressure passing the 400m and was disappointing in the run to the line.

S. Comments:Hampered shortly after the start. Raced wide in the early stages until being restrained to obtain a position at the rear of the field with cover.

When asked to comment on the performance, jockey S. Bogenhuber explained that after being caught wide and having to restrain to take up a position with cover at the rear of the field the filly was unable to race in its customary position and she felt that this, along with today's prevailing track conditions, contributed to the disappointing performance. A post race veterinary examination failed to reveal any significant abnormalities.

However when attempting to sit of the leader his mount commenced to over race and refused to settle despite his efforts.

S. Comments:Began awkwardly and lost ground. Rider explanation re seemingly disappointing performance - stated horse enjoyed comfortable run leading up to home turn however, when placed under pressure failed to run on as expected and in her opinion was disappointing. Added may not have been comfortable on today's surface. Trainer disappointed with performance today and it is now his intention to give the horse a freshen up. Vetted - no abnormalities.
