He indicated that the horse did not travel comfortably throughout the race, did not respond to his riding rounding the home turn and felt that that the horse was disappointing. Trainer C. On review confirmed DREAM SPEED was fractious for short time just before start effected, resulting in App. Murphy having to re-gather his reins, however, Stewards were satisfied that App. Murphy had sufficient control and adequate hold of reins when start effected. DREAM SPEED then began awkwardly, threw its head up and lost considerable ground. Stewards were of view it was afforded a fair start and correct weight declared.

S. Comments:Apprentice M. McGuren was asked to comment on the horse's performance. He indicated that he was disappointed with the overall performance and was of the view that the horse did not handle the soft racing conditions. He added that the horse was under pressure from the 750m. He further added that following today's performance, the trainer had indicated that he would consider reapplying the blinkers for its next start.
