S. Comments:Slow to begin and failed to muster speed despite the efforts of rider. Rider questioned re performance - stated filly somewhat fractious in barriers and as a result was slow to begin. Further stated pre-race intentions were to obtain a forward position however, despite his urgings filly failed to muster any speed and raced at rear of the field. Added in his opinion filly may have resented racing in this position and further added filly found line fairly and would take benefit from today's event.

S. Comments:Jumped away awkwardly. Stewards questioned G. Colless regarding the horse's performance. He indicated that after beginning awkwardly the horse settled in the second half of the field, travelled well and when asked to shift wider on the track to improve, raced greenly and became awkward in its action, commenced to hang out, which had been a trait of the horse when trained in New South Wales. He said that the horse ran on fairly in the home straight.

S. Comments:When asked to comment on the performance, L. Tarrant stated that after racing comfortably just behind the lead it travelled well to the home turn, however when asked to respond at the top of the straight was reluctant to stretch out and was disappointing. He felt the horse may not have been comfortable in the rain effected conditions.

S. Comments:Steadied from heels approaching the 1300m. Jockey J. Lloyd reported that after receiving a bump rounding the home from another runner the horse became awkward in its action and weakened in the home straight. A post race veterinary examination failed to reveal any significant abnormalities.

Trainer B. Herne indicated he would have the horse trotted up and assessed by his own veterinary surgeon in the coming days and would advise stewards of the outcome.

S. Comments:Rider afforded opportunity to comment re performance - explained the colt began only fairly and therefore elected to race towards the rear of the field to obtain cover. Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.
