S. Comments:Questioned re performance - rider explained he rode with vigour in early stages to establish a forward position, however passing the 1000m he was unable to muster sufficient speed to cross leaders and obtain position closer to the rail and as a result was forced to raced wide throughout middle stages. Rounding the turn near the 600m his mount was inclined to race on one rein and rounding the home turn hung outwards and ran wider on the track. Gelding responded to urgings, however felt effects of a wide run throughout the early and middle stages. Post race vet exam revealed no abnormalities.

S. Comments:Slow to begin. Forced to race wide rounding the home turn. When questioned as to the tactics adopted, Jockey L Rolls stated that the gelding was slow to begin which resulted in him settling further back than anticipated. Jockey Rolls added that leaving the 800m he elected to shift out to improve as he was concerned that runners forward of him were not going to take him into the race. Jockey Rolls further added that in making this decision he was also mindful of his instructions that the gelding was not suited when asked to sprint quickly off a slow tempo.
