Hug out in the home straight, causing its rider to stop riding on a number of occasions. M. Cahill dropped his whip near the 250m. M. Cahill reported that his mount was under pressure whilst hanging out rounding the home turn and was very disappointing in the run to the line. He said carrying top weight in today's event may have had a detrimental effect on the overall performance. He added that in his opinion it races best on very firm surfaces. Vetted, slow recovery.

S. Comments:Bumped by another runner on jumping away. Stewards questioned M. Du Plessis regarding the tactics he adopted as the horse settled further back in the field than at its most recent start. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.
