She added that, in her opinion, bearing in mind the manner in which the filly pulled up after the race, it would derive a significant fitness benefit from the run today. S. Comments:Checked at the start. Stewards asked Jockey R. Plumb for an explanation regarding the geldings performance. Jockey Plumb explained that after being severely checked at the start, he settled at the rear of the field and the gelding contacted the rail on two occasions passing the 1000m when racing to the inside of BEAUETA. He added that the gelding finished fairly in the home straight but in his opinion the interference at the start had a direct bearing on todays performance. A post-race veterinary examination failed to reveal any apparent abnormalities.

S. Comments:When asked to explain the horse's seemingly improved performance, trainer B. Laming stated that the filly had worked well since its last start and performed well in a recent jump-out with the addition of blinkers, which were added to its gear for today's event. He added that with a slight step up in distance and in his opinion today's race being slightly inferior, that may have contributed to the improved performance. Mr Laming also advised that he did not support the filly today and was surprised by the win. Stewards noted his explanation.
