Mallyon stated that the gelding raced in a forward position and when the field sprinted after passing the 600m failed to respond. He added that in his opinion the gelding will improve with the run and may appreciate races further than that of today's event as he believes the gelding is one-paced.

| S. Comments:Began awkwardly and shortly after the start shifted in abruptly, unbalancing its rider. Restrained to a rearward position passing the 1000m after being caught wide to find a position closer to the rail and in doing so threw its head in the air on a number of occasions. |                       |                             |                                 |                         |  |
