S. Comments: Slow to begin. Stewards asked apprentice L. Tarrant to explain the tactics adopted as after passing the 900m he shifted wider on the track and from the tail of the field improved quickly when positioned three wide to take up the lead passing the 600m. Apprentice Tarrant indicated that it had not been his pre-race intentions, however after settling, his mount commenced to overrace when the pace slackened at that point and after shifting wider to avoid heels, he was of the view that it would be in his best interests to position the horse closer to the lead.

S. Comments: Began awkwardly and shifted out at the start, bumping another runner. When questioned regarding the improved performance of the horse, in contrast to its previous start at Beaudesert, trainer R. Mackay advised that at its last start, after being caught wide, the horse was ridden back in the field, which was to its detriment. He added that the horse is better suited when ridden on the pace, and on its home track under rain-affected conditions today he expected a forward showing from the mare.

S. Comments: When questioned regarding the performance of the gelding jockey L. Rolls stated that he expected to settle in a forward position however his mount lacked early speed and settled in a handy mid position. L. Rolls added that his mount travelled only fairly throughout the event and was disappointing in its run to the line. Trainer Mr M. Caltabiano advised he would spell the gelding immediately. A post race veterinary examination of the gelding did not reveal ahnormality

Call Me Ringo 58 1, 6.70 LEN, 1-28.80 40.59

In Running: /2/3

S. Comments: Stewards afforded jockey T. Gray the opportunity to comment on the performance. She stated that the gelding travelled well until a point near the 600m, however failed to respond to her riding when placed under pressure. She added that, in her opinion, her mount did not handle the prevailing track conditions. A post race veterinary examination failed to reveal any significant abnormalities. Trainer L. Wheeler undertook to report to stewards any abnormality which comes to light which may have had a bearing on today's performance.
