Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. S. Comments:Raced in restricted room for a short distance shortly after the start. Trainer questioned regarding tactics whereby the horse led tonight's event, which is in contrast to its recent racing pattern. He said from the wide barriers at its 2 recent starts, it settled more rearward, however from the better barrier he expected the filly to be closer in the run, but was somewhat surprised to see it leading. He said the step up in distance from 1050m to 1200m tonight also assisted the filly in settling in a more forward position. Stewards noted the explanation.

Travelled well during early and middle stages and when placed under pressure passing 500m responded well and finished the race off strongly. Rider was of the view that mare is unable to sit and sprint strongly and as such was not suited when forced to race back in the field.

He said when crossed by SUPER MARS, that horse then steadied, resulting in him being placed one position further back than he had anticipated. He added that from the 500m to the 400m he was held up behind runners and could not improve
