S. Comments:When asked to comment on the horse's performance, M. Cahill stated that from the wide alley he was obliged to position the horse at the tail of the field in order to obtain cover closer to the fence and was then obliged to shift very wide on the home turn in order to secure clear running. He indicated that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

S. Comments:When questioned regarding the tactics adopted, Jockey J Morris stated that he had been instructed to ride the gelding positively out of the barriers in an attempt to obtain a forward position. Jockey Morris added that these instructions were issued on the basis that the gelding had performed well when ridden in that fashion at his Victorian starts. Trainer J Walk confirmed the instructions and noted that the gelding was up in distance today. Mr Walk was reminded of his obligations to advise stewards of any intended change of tactics.

S. Comments:Raced 3 wide in the early stages before being allowed to stride forward to be positioned outside the leader near the 800m. Had to be eased near the 300m to avoid the heels of LUPO NERO, which shifted out when not sufficiently clear. T. Brooker, rider of LUPO NERO, was issued with a severe reprimand and advised to ensure she provides her fellow riders with greater clearance in future. T. Brooker was further cautioned for continuing to shift out, forcing TONI MAY wider on the track inside the 100m.
