Stewart stated that he attempted to obtain the lead, however when runners to his inside improved, he was caught racing three wide, which on the heavy track he was content to do. He added that once rounding the home turn when he placed his mount under pressure it failed to respond and therefore he was inclined to desist with pressuring his mount for the remainder of the event. A post-race veterinary examination revealed no abnormalities.

 S. Comments:Questioned re tactcis - step up to 1800m. Instructions to lead if slow tempo otherwise settle in a handy position. In his opinion tempo was strong early and was reluctant to urge gelding to hold out another runner passing 1200m. Held up on back of tiring runners from 600m to 300m before securing clear running and finished off race well. Better suited over similar distance when able to dictated terms off a slow tempo

When questioned regarding the performance, Apprentice Panya agreed that the gelding was disappointing and stated that, in her opinion, the horse races best when it is able to gain a more forward position than in today's event. Apprentice Panya also stated that the horse is better suited when racing over longer distances than today's event. Trainer P. Duff agreed with Apprentice Panya's comments. Stewards noted the explanations provided.
