He indicated that the horses 2 starts this preparation have been over shorter distances and has been finishing the races off well and therefore expected a more forward showing with the step up in distance of todays event. S. Comments:D. Browne said that he attempted to secure cover in 5th or 6th position and when unable to do so he was obliged to allow the horse to stride forward to a position outside the lead closer to the rail near the 600m. He added that in his opinion, whilst this had some bearing on the horse's performance, he felt that the horse did not race comfortably in the rain-affected conditions as when placed under full pressure it failed to respond.
