Checked when tightened for room leaving the 50m. Stewards inquired into the circumstances of this incident and established that MORION, which was racing to the outside of TAKES TIME, had laid in under pressure in the home straight, causing its rider to stop riding and straighten near the 150m and again, despite the efforts of its rider, over the final 50m. S. Comments:A post race veterinary examination of the horse, which raced in a handy position and weakened over the final stages and proved disappointing, failed to reveal any significant abnormalities. When questioned regarding the performance of the filly, rider T. Harrison explained that from the wide barrier today she had to apply a little more pressure in the early stages to obtain the lead than she would have liked, and during the race was slightly pressured by a runner to her outside. She further added that at its last start the filly obtained a soft lead on a tighter track without being pressured
