S. Comments: Jockey M. Hellyer reported that it had been his intention to lead, however he had been instructed not to pressure the horse overly in the early stages as it has had a tendency to overrace in the past. He indicated as a result of not pressuring the horse in the early stages he had elected to then steady and take up a trailing position. He indicated when attempting to have the horse steady, it commenced to overrace and he therefore attempted to stride forward to the lead. He added the horse hung out throughout and placed him at a disadvantage.
