S. Comments:Trainer comment re seemingly improved performance - stated at first start at Bundaberg on a sand track the mare jumped awkwardly and as a result settled back in the field and in his opinion did not appreciate the sand kick back. Added mare had worked well leading up to its start today and he had expected an improved effort.

He added that the gelding was fitter for its second run over the 1640m today, and based on these factors, he had expected a forward showing from the gelding. Stewards noted the explanation.
