Page 5 of 33

S. Comments:Rider J. Guthmann-Chester reported that he desisted from pressuring his mount over the final 150m as he felt something may be amiss with the filly and advised that it was making an abnormal respiratory noise on pulling up. A post-race veterinary examination failed to reveal any abnormalities, however, trainer M. Leitch advised stewards that it would now be her intention to have the horse undergo a dynamic endoscopy exam, the results of which will be forwarded to stewards prior to the horse racing again.
