Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion.

S. Comments: Fractious in the barriers. Jumped out at the start. Leaving the 1000m was crowded for room and steadied from heels. When asked about performance, Rdr stated mare, after being fractious when loaded into the barriers, settled into a position further back than anticipated and travelled comfortably throughout the run, however when placed under pressure soon after entering the home straight, failed to quicken as expected and was somewhat disappointing.

When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.
