 S. Comments:Tendency to lay in under pressure over the final 100m. Rider questioned re performance - explained after drawing a wide barrier had to be used up more than he would have liked in early stages to obtain the lead. Stated filly travelled well and responded when asked for an effort on straightening however, commenced to weaken over final 100m. In his opinion may be better suited to races shorter to that of today's event.
