S. Comments:Fractious in the barriers and began awkwardly, losing 2 lengths. Steadied from heels near the 700m. When questioned regarding the horse's performance, Q. Krogh said that after beginning poorly and mustering speed, he elected to come wide leaving the 600m, however he felt that the horse was under pressure from that point and he felt the horse did not appreciate the tight turning track. It was also noted that nearing the home turn it was bumped by another runner. Jockey Krogh felt it was disappointing and he was of the view the horse performs best when able to lead or be in a forward position.

S. Comments:Jockey J. Stanley reported that his mount was inclined to hang in in the early stages, however travelled strongly in the middles stages. He added that from the 500m, when asked to improve into the race, the gelding failed to quicken as he had anticipated and in the home straight felt very awkward in its action, and he therefore eased the horse down over the concluding stages. A post-race veterinary examination revealed no apparent abnormalities. In light of jockey Stanley's comments, Stewards will follow-up with Trainer D. Hansen in the following days regarding the horse's post-race recovery.
