Lloyd reported that the horse did not travel comfortably and when asked for an effort shortened stride. Due to his concerns with the horse's action he did not pressure the mare over the final 500m and as a result it finished a distant last. A post race veterinary examination failed to reveal any significant abnormalities. Stewards advised connections that the horse would be required to trial satisfactorily prior to racing again. S. Comments:Slow to begin. Rider questioned riding rounding home turn as to whether there was opportunity to shift wider on track and improve into race from 500m. Rider stated leaving 500m was concerned ONE GREY, which was racing forward of him, was going to be taken wider by CANTBUYBETTER and was reluctant to improve to outside of that runner. Rider added approaching 400m he was aware ROYAL OCCASION had improved to his outside and was therefore unable to shift wider without causing interference to that runner. As a consequence was then held up for clear running upon straightening.

S. Comments:Began awkwardly. When questioned regarding the seemingly improved performance, trainer C. Thompson explained that following its run on 20th September he had a blood analysis carried out, which revealed that the mare was recovering from a virus and had been treated. At the mare's subsequent start, at Rockhampton on 26th October, the mare finished the race off well. Mr Thompson was of the opinion that the step up in distance contributed to the improved performance today. Mr Thompson was reprimanded under AR. 140B for failing to report a condition that may have affected the horse's performance.
