S. Comments:When questioned regarding her riding of the mare, Apprentice explained that she had been instructed to take up a midfield position, however after beginning awkwardly she rode her mount along to obtain a favourable position, where the mare travelled strongly. However, shortly after straightening she attempted to improve to the inside of another runner but was disappointed for that run and as a result was held up for the entirety of the home straight and went to the finish without being tested. A post-race veterinary examination did not reveal any abnormalities.

When questioned regarding the poor performance Jockey said that she had to make some use of her mount in the early stages to obtain a position closer to the running rail, rather than be caught wide, however even allowing for this, she said her mount was disappointing and weakened from the 200 metres.
