S. Comments:Began very awkwardly. Had to be momentarily steadied when awkwardly placed between runners near the 500m. When questioned as to the horse's performance, apprentice S. Lacy stated that the filly lost ground at the start after beginning awkwardly. She added that despite this the filly was under pressure leaving the 500m and finished off the race only fairly and in her opinion proved disappointing. Trainer P. Duncan expressed his disappointment in the filly's overall performance as the filly had trialled well leading into the race.

McGillivray regarding the tactics adopted today which was to lead in the early stages when the horse has not previously led. He indicated pre-race the plan was to attempt to secure cover preferably in a midfield position, however after beginning well it became apparent he would be caught wide he then elected to ride forward to secure a position closer to the fence. He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.

S. Comments:Stewards questioned trainer Mr M. Webb regarding the improved performance. He indicated that due to the horse having poor pre-race manners he had started it at its first start from a spell wearing earmuffs and with hindsight was of the opinion that the earmuffs caused the gelding to switch off as it was unable to muster early speed and was disappointing. He indicated that on the horse's previous trial form and work leading into today's race he expected improvement.

S. Comments:R. Wiggins was questioned regarding his riding tactics and the reason for him shifting to the outside of the heels of SEQUALEX passing the 800m, and soon afterwards applying pressure to his mount and sustaining that pressure from the 600m. Jockey Wiggins stated that his mount has shown an inclination in the past to hang in when ridden behind runners and for this reason he improved to the outside of SEQUALEX and similarly to when it was successful at its most recent start, he commenced to ride forward from the 600m. Stewards noted his explanation.

He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily.He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat.

She stated that at that stage of the race the mare was travelling well and she elected to ease out to be ready to place pressure on the leaders on straightening, however her mount was then forced to race four wide. Apprentice Eilbeck agreed that she had erred by shifting out at a critical stage of the race near the 500m rather than staying in with cover.
