S. Comments:Slow to begin. Held up rounding the home turn and again in the early stages of the home straight. Stewards asked N. Day to comment on the horse's performance. He stated that after beginning awkwardly, the horse lost further ground when he momentarily lost the use of an iron, which took a short distance to regain. He indicated that he would have liked to have been in a more forward position, however the horse did not muster early speed. He added that the horse finished the race off strongly and in his opinion would be suited to racing over a further distance than that of today's event.

S. Comments:Jockey J. Mallyon explained that the horse, which was having its second start today, was drawn awkwardly and due to a number of runners drawn inside having early speed, he made the decision to restrain in the early stages and race in a rearward position. He said after doing so the tempo in the middle stages was then moderate, and as his mount raced wide. When the leader quickened the horse was unable to muster speed and only finished one paced. He was of the view the filly would be better suited with more racing and settling in a more forward position and over much longer distances than that

S. Comments:D. Browne could offer no explanation for the horse weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick was advised that the horse must compete satisfactorily in an official barrier trial prior to racing again.Trainer S. Kendrick reported that Our Racketeer had been x-rayed and found to have bone chips in the off-side knee. The horse will have corrective surgery performed prior to being sent for a spell. Stewards advised Mr Kendrick that a veterinary certificate will be required prior to its next race start.

He added he was disappointed with the performance as he had trialed the horse and had been happy with that performance. Trainer Mr S. Kendrick indicated he was extremely disappointed with the performance and would have the horse undergo an endoscopic examination, have blood samples taken and would report the findings back to stewards.

S. Comments:When asked to comment on the horse's performance, R. Wiggins indicated that whilst the horse had difficulty securing clear running in the early stages of the home straight, it weakened over the concluding stages, which he felt could be attributed to the horse having its first start from a significant spell and would take improvement from the run. A post-race veterinary examination revealed no significant findings.
