| S. Comments:When questioned regarding the performance, Jockey M Hellyer explained that the horse has shown previously that it races best when allowed to dictate terms on its own accord. He said today he was keen to maintain the lead, however, it was headed by HIDDEN ROAD. He said the horse then travelled only fairly however, once PONCHERELLO raced up alongside, his mount dropped the bit and commenced to weaken before straightening. In straight did not persist in riding it out as was losing ground quickly. Post-race examination revealed poor post-race recovery and mild heart stress. | | | |

The horse did lay out somewhat rounding the home turn and when attempting to secure clear running in the home straight, he looked to improve to the inside of BAR FLY BARRISTER, however when that horse shifted back towards the fence he elected to shift out approaching the 200m and was then also obliged to shift out further to obtain clear running outside THE COLUMBIAN. Apprentice Sewell explained that his instructions were issued by trainer Mr A. Jones, who indicated he did not believe that the horse would be comfortable on the rain affected track and in these conditions instructed apprentice Sewell to ensure he held the horse's head up in an attempt to have it travel on the bridle. Browne indicated that whilst he was held up he also felt that the horse was somewhat reluctant to improve to the inside of other runners at it became awkward to the inside of GUADALUPE when attempting to improve near the 500m, and when able to improve near the 200m the horse raced greenly and when he was attempting to shift out around DELAWAR near the 100m, the horse again showed a reluctance to respond to being directed out at that point.
