S. Comments:Stewards asked jockey R. Fradd to comment on the tactics adopted on the gelding. He indicated that with the addition of blinkers first time to the horses gear he had been instructed to attempt to take up a forward position, which he endeavoured to do so by riding aggressively from the barriers. He indicated the horse did not have sufficient speed to cross ROCKY GAMBLE to his inside and as a result approaching the first turn he attempted to steady to trail that horse, however at the same time the pace of the race slackened and he was able to restrain the horse sufficiently to manoeuvre behind

S. Comments:Apprentice M. McGillivray reported that the gelding raced three wide but with cover throughout, was off the bit and in his opinion raced flat. He said that rounding the home turn the horse was unable to quicken with the remainder of the field, however once placed under pressure in the straight, although it was inclined to lay in, it then finished the final 200m of the race off nicely. He added that he was of the opinion that the gelding may now be looking to be stepped up in distance.

S. Comments:Jockey M. Cahill reported his mount was very disappointing in the run to the line. He indicated the horse had to work a little bit in the early stages when pressured in the lead, however the horse failed to respond to his riding over the final 400m. Trainer L. Birchley confirmed his disappointment in the performance and would look to experiment with the horses gear in trackwork and attempt to have the horse ridden with cover if possible at its next race start. He also undertook to advise stewards of anything that comes to light in the coming days with the horse that may have had a bearing o

S. Comments:Began awkwardly and lost ground. Steadied from the heels of a tiring runner approaching the 400m. When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position. Stewards noted the explanation.
