S. Comments:Bumped with another runner on jumping. When questioned regarding the tactics adopted, jockey L. Tarrant stated that his intentions were to take up a forward position and lead if possible, however the filly was unable to show the necessary speed in the early stages and when an opportunity presented to shift in towards the fence, he took that opportunity rather than be caught wide. He added that the filly was not entirely comfortable in today's prevailing track conditions, which he believed may have contributed to today's disappointing performance.

S. Comments:When questioned regarding the mares improved performance, trainer M. Dunn explained that at its last start, when racing in a forward position, it overraced, and on the recommendation of jockey Fradd he removed the cross-over nose band and winkers and added a tongue tie. He said that he instructed the rider to attempt to settle the mare off the speed with cover, which he believed would allow the mare to finish the race off. Stewards advised Mr Dunn that if it was his intention to change the tactics which had been adopted at recent starts, he was obliged under the rules of racing to notify stew
