| S. Comments:Stewards asked trainer T. Miller to comment on the horse's seemingly improved performance. He indicated that he has been quite pleased with the horse's performance since returning from a significant spell. He added that in his opinion the horse had been working well and it has been the intention to allow the horse to lead in its races and he believes that the horse races best when able to lead without being challenged as in today's event. He further added that today's soft track and the step up to a mile were also factors which may have contributed to today's performance. |                |      |               |                                  |

| S. Comments:Began awkwardly and shifted out abruptly losing ground. Passing the 600m forced wider on the track by GOLDEN COMMAND which was endeavouring to improve and then wanted to hang out rounding the home turn.  |                     |     |      | \$16,000 \$26 \$81 \$91<br><b>In Running: /7/3</b>         |   |

| S. Comments:Mr B. Gordon, representative for trainer B. Laming, was questioned regarding the horse's seemingly improved performance today as compared to its most recent starts. Mr Gordon explained that the horse was second up today and at its previous start it was obliged to race wide and hung out in the home straight, which placed its rider at a disadvantage. He added that the filly had blinkers, a logging bit and bubble cheeker on the nearside today, which in his view was advantageous to its performance. He added that SWISS LOVE was well ridden today when able to lead and dictate the tempo of the race. |                     |     |      |  |   |
