Rider questioned re disappointing performance - stated filly raced very greenly throughout and also resented racing tightly between runners near 600m and was obliged to restrain after which the filly never travelled comfortably. He noted filly had trialled impressively when leading and could only use the excuse it was not suited when unable to lead and when racing tightly between runners. Vetted - no abnormalities.

however, when left awkwardly placed four wide near the 1100m, was then restrained to a trailing position. When asked to comment on the horse's

performance, apprentice B. Nothdurft stated that whilst he was satisfied he occupied a good forward trailing position, and whilst he believed the horse felt

comfortable on today's firmer surface, it failed to respond to his riding over the final 600m. Vetted and found to have cardiac arrhythmia.

S. Comments:Stable representative Mr A. Homan was questioned regarding the seemingly improved performance. He indicated that the stable had expected a forward showing in today's event, adding the mare had had a brief spell after performing poorly in Townsville on 21 July, which he believed could be attributed to the horse not travelling well in the trip to Townsville. He indicated prior to this, the horse's form had been good and stated that at Doomben on 7 July the horse had worked hard when ridden forward to obtain the lead in the early stages from a wide barrier. Stewards accepted the explanation.
