S. Comments: When questioned re leading event, Rdr explained after being caught wide early, rode positively to take up a leading position & was able to cross & lead after 1800m-added after attempting to restrain gelding passing 1600m, mount failed to respond & commenced to over race for a considerable distance-further added passing 1200m, mount commenced to settle but was mindful gelding had obtained a considerable gap to the remainder of the field and commenced to weaken on entering the home straight.
