S. Comments:When questioned Jockey said that after beginning fairly and when runners to his inside showed superior speed, he elected to ride his mount in a rearward position with cover, where it travelled comfortably throughout, however after being inconvenienced near the 700 metres lost further ground. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly. S. Comments:Bumped at the start. Was inclined to lay out over the concluding stages. When questioned regarding the improved performance, trainer explained that in the past the gelding had had issues with hoof abscesses, which necessitated farrier treatment. She said that she was satisfied that the horse had recovered from the ailment and a forward showing was expected today. She added that at the gelding's most recent start it failed to handle the rain affected track.
