S. Comments:Steadied from heels whilst weakening near the 500m. When questioned by Stewards in relation to the gelding's seemingly disappointing performance, jockey T. Brooker advised that after beginning well she obtained the leading position, without having to overly pressure the gelding. She added that the gelding travelled reasonably throughout however, in her opinion, it was not suited by the tight turning track and may be better suited being ridden back in the field if circumstances permit. Stewards noted the explanation. A post-race veterinary examination revealed no apparent abnormalities.

S. Comments:Slow to begin. When questioned regarding the below market performance, Jockey A. Allen stated that his instructions were to attempt to obtain a position with cover to allow the gelding to finish the race off. He added that after travelling well throughout with cover, the gelding was under pressure from the 600m and proved disappointing. A post-race veterinary examination failed to reveal any significant abnormalities.

Added after being caught three wide in middle stages was of the opinion REDSTONE, which was racing outside the leader, would progress forward and lead. When this did not eventuate obliged to race three wide for remainder. Further stated horse was dropping back in distance today and therefore allowed it to stride forward from 600m.
