Jockey Bogenhuber added that when placed under pressure from the 700m the filly failed to respond to her riding and proved disappointing. Jockey Bogenhuber added that in her opinion the filly raced somewhat flat today, which she attributed to the horse being second up from a spell.

S. Comments:When questioned concerning the riding instructions, apprentice S. Lacy advised stewards that she was advised to ride the gelding where it was comfortable and then work home. Apprentice Lacy said that CWMBRAN was slow to stride and in her opinion was not entirely comfortable with the sand surface and therefore her mount took a position several lengths behind the field. She further explained that she then took the horse to the outside at the 550m and finished very strongly over the concluding stages.
