Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion.

When questioned Rdr stated asked to have gelding settle midfield, which was able to do, however; approaching the 1000m was carried wider-said attempted to come back to find cover, however; as other horses improved to inside, was obliged to settle at the rear-added despite riding, failed to respond until approaching home turn where again. obliged to race wide to improve & with gelding only having a short sprint, responded moderately in the straight.
